

#### **GENOVA ORGANIX TEST INSTRUCTIONS**

#### What You'll Receive:

- Sample collection container
- Test instruction booklet
- Prepaid FedEx return envelope

#### **Before You Ship Your Sample:**

- 1. Use the correct requisition form
  - Select the cash pay version only if you are not using insurance or are ineligible for discount pricing.
- 2. Complete all required fields on the form
  - Leave the credit card and insurance information sections blank.
- 3. Collect your 1-day urine sample as instructed in the test kit.
- 4. Freeze the sample immediately after collection.
- 5. Ship the sample the same evening or the following morning using the provided FedEx return envelope.

#### **Hydration Note:**

- You do **not** need to limit water intake to three 8 oz. glasses.
- However, try to **slightly reduce your fluid intake** the day before sample collection.
- The goal is to feel mildly thirsty—this helps prevent over-dilution of your urine, which could affect test accuracy.
- 6. You may drop off at a FedEx location or schedule a pickup by calling FedEx.
  - Best practice: Ship the sample within 24 hours of collection.

JUST IN HEALTH

#### What to Do Next:

- 1. Schedule your consult with Dr. Justin to go over your lab results.
- 2. Results typically arrive within about 3 weeks from when the lab received your sample.
- 3. Dr. Justin will review your results and answer your questions during your appointment.

#### **Important Notes:**

- The completed requisition form must be included in the return package.
  - o Missing forms will result in your sample being discarded and may incur additional fees.
- The Personal Health Assessment Form is not required and may be skipped.

#### **Instructions for International Patients:**

- Kits can be returned via any courier service that guarantees delivery to the U.S. within 7 days.
- You will be responsible for return shipping costs.

#### **Required Customs Documentation:**

- 1. Manufacturer's Declaration Form. Click here to access this.
  - Include one copy in an accessible envelope attached to the outside of the FedEx mailer.
- 2. Three copies of the Commercial Invoice. Click here to access this.
  - o Include all three in the same exterior envelope with your return shipment.

These documents help address any customs clearance concerns.

- Ensure that the completed requisition form is included inside the return kit with your sample.
- A direct link to your exact requisition form is provided in your protocol sheet.

#### **Lab Contact Information:**

If you have any questions about the test or return process, contact **Genova Diagnostics** at (800) 522-4762.

#### **Activate Online And Return This Form**

#### Authorizing Provider Signature & Date (required)

Please document medical necessity and the specific order for the test in the patient's medical record or progress notes with a signature and date from the referring physician in addition to providing a diagnosis code below.

#### **Definition of Medical Necessity**

All claims submitted to Medicare/Medicaid for Genova Diagnostics' laboratory services must be for tests that are medically necessary. "Medically necessary" is defined as a test or procedure that is reasonable and necessary for the diagnosis or treatment of illness or injury or to improve the functioning of a malformed body member. Consequently, tests performed for screening purposes will not be reimbursed by the Medicare program. Physicians may deem it medically necessary to order a single test or a portion of a profile. These guidelines are also contained in Genova's electronic ordering system, where all orders for Medicare beneficiaries

Billing Options Check only one option below. If no billing option selected, practitioner account may be billed.

#### Medicare or Tricare Order

Medicare & Tricare Order MUST be registered online BY THE PRACTITIONER at www.gdx.net/activate and cannot be submitted with a paper requisition. If not registered online, THE SPECIMEN WILL BE DISCARDED. DO NOT write Medicare on this requisition and expect that Genova can process it.
